For the Shareholders of Polenergia Spółka akcyjna

Introduction

We have reviewed the accompanying condensed interim financial statements of Polenergia Spółka akcyjna (the Company) with its registered office in Warsaw, 24/26 Krucza street, which comprise the condensed interim balance sheet as of June 30, 2025, the condensed interim statement of profit or loss, condensed interim statement of other comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows for the period from January 1, 2025 to June 30, 2025 and selected explanatory notes.

The Management Board of the Company is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard 34 *Interim Financial Reporting* published in the form of European Commission regulations.

Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with National Standard on Review Engagements 2410 consistent with International Standard on Review Engagements 2410 *Review of Interim Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than audit conducted in accordance with National Standards on Auditing in the wording of International Standards on Auditing adopted by resolutions of the National Council of Statutory Auditors and the Council of Polish Agency for Audit Oversight, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard 34 *Interim Financial Reporting* published in the form of European Commission regulations.
